DEDICATION

It is with deep gratitude that we, the annual staff, lovingly dedicate *Tiger Trails, '83* to Mrs. Barbara Williams. She has given Springville High School her time, support, and loyalty. We would like to thank her for being such a great influence on the faculty and student body and for being the friend she is to us all.

POEM TO THE SENIORS

On winged feet the four years pass,
And now we honor our Senior Class.
Beyond these walls, this town, this
state
A whole new world now lies in wait.
You've much to learn, we're often told
Wisdom to gain before your old.
But — today — before you turn and go
Your separate ways, as well as we know.
Enjoy this place, these hours, this
school
In memory they'll return to you.

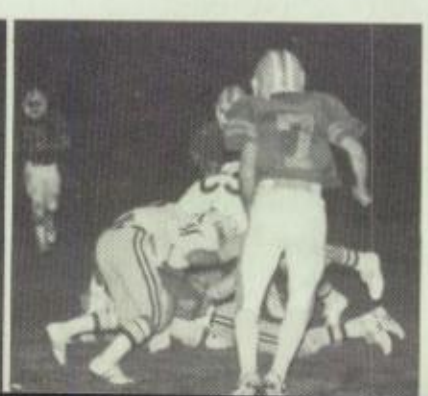
SPORTS



1983 BASEBALL

This year our baseball team accomplished something that no other baseball team in Springville High School's history has. They competed in the State Play-offs. After winning the Area Tournaments the Tigers went on to win 3rd place in the state.

Coach Cal Campbell did a tremendous job coaching the Tigers this year and thanks to him and the team the whole season was very successful. All of the team members were vital in some way to each winning game. They showed a great deal of hard work, determination, and talent. The team went on many trips and were supported well by the school and community.

WE ARE PROUD OF YOU!!

VARSITY A-TEAM BASKETBALL

With only 2 returning players from last year's 13-13 team, Coach Cal Campbell called this a rebuilding year for the Tigers. Playing well at times, but not so well at other times, the Tigers posted a 7-19 record. Although the Tigers didn't have a great season the entire team hustled, and showed pride and class throughout the year. With less talent and ability, the Tigers especially showed class against the 1983 county champs, Ashville. The season came to a close when the Tigers fell to Locust Fork in the Area tournament.

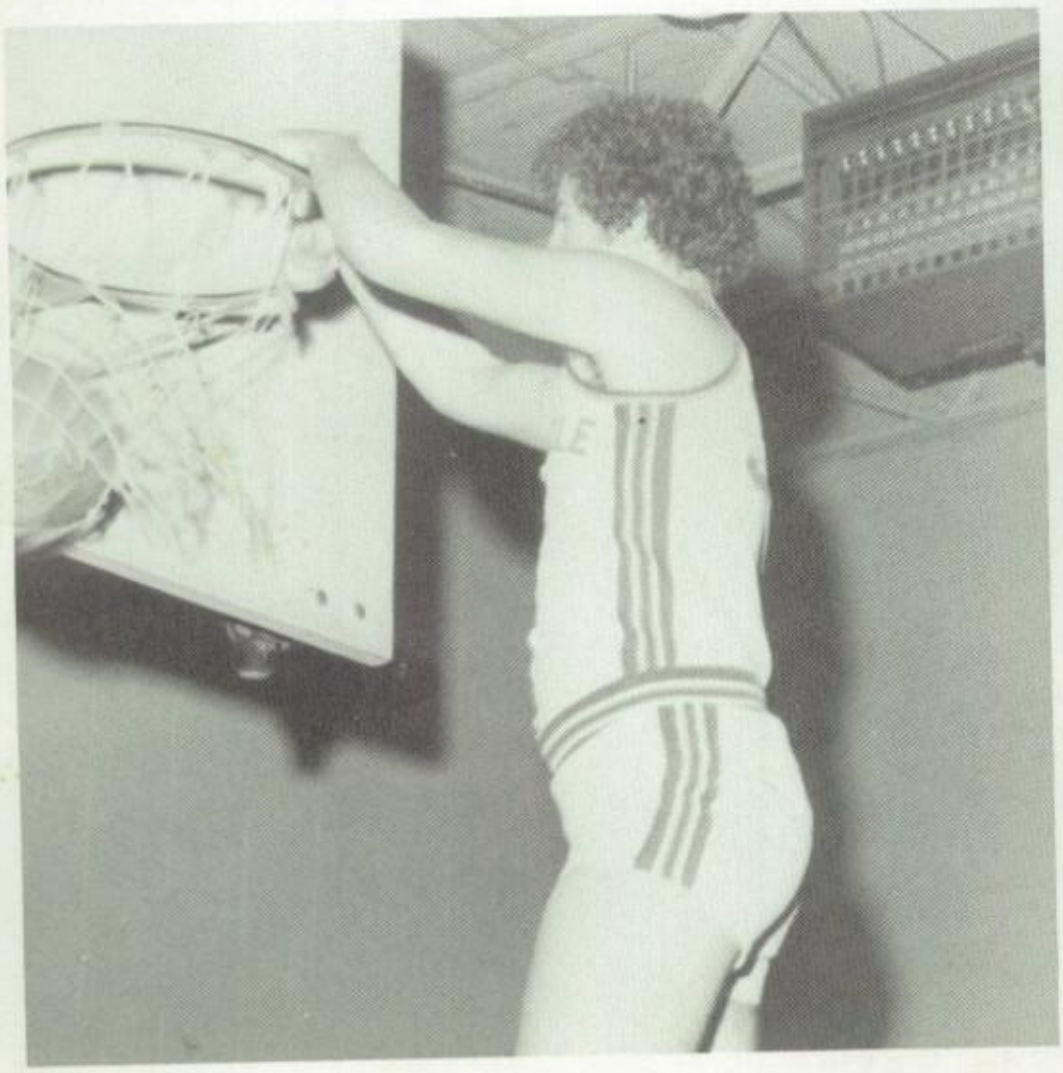
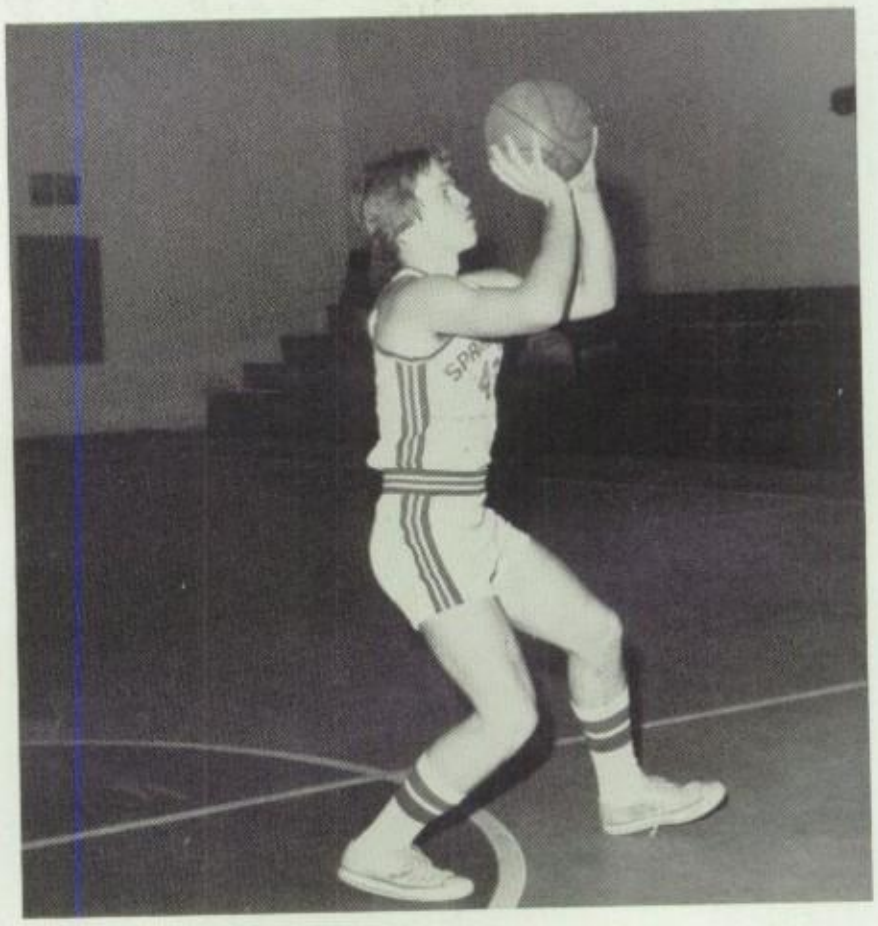
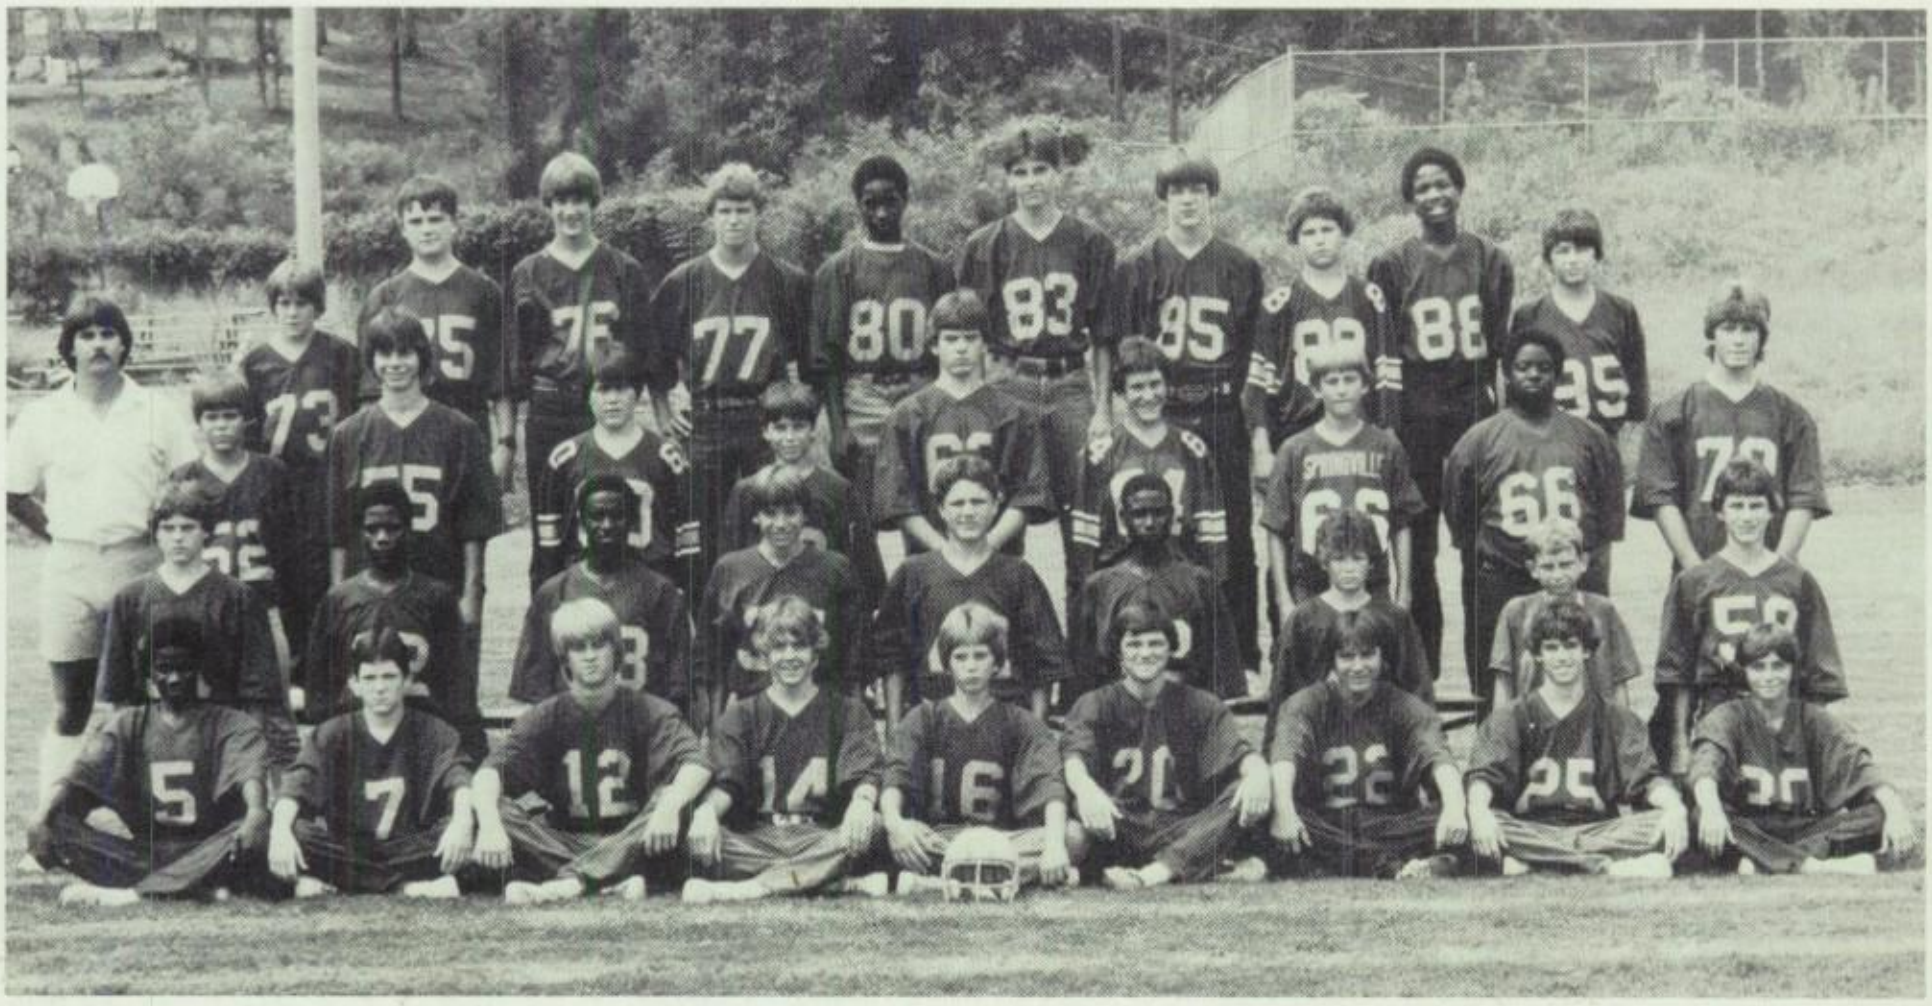
VARSITY B-TEAM

The 1982-83 B Team basketball team consisted of 12 players who all contributed to the winning season in some manner. We are proud to have had them represent our school. The team, coached by Ralph Riker, consisted of Rod Leopard, Roy Epperson, David Nolan, Eric House, Ross Pearson, Brian Higdon, Richard Harvey, and Duane Gordon.





JUNIOR FOOTBALL



"I was blessed with a team made up of young men who have great parents. These young men did everything that was asked of them and more. Springville can be proud of this group. I know their parents and I am very proud of them. I would like to mention two young men who meant a great deal to our season, but because of injuries did not get to play, Tim Pollard and Doug Logan. These two represent everything we are trying to accomplish with our program."

ORGANIZATIONS

ANNUAL STAFF

The thirty-six member annual staff was elected at the end of the 1982 school year. The staff has been working very hard to organize and produce the 1982-83 Tiger Trails.

The staff has had several meetings to attend and deadlines to meet. They also attended a workshop at Shades Valley High School. It has been a year full of hard work in which dedication has been displayed by most of the staff members. This has all paid off in seeing that the 1982-83 yearbook is one of the best ever!

STUDENT COUNCIL

The Student Council has organized many events for Springville High School this year. They put together a homecoming parade, hosted a tea in honor of the Class of 1963, and held a homecoming dance after the game.

The student council sponsored a slave day for a money making project, and it was a great success. They gave a portion of this money to the Resource class to help purchase a buzzer system.

They raffled a quilt at the "Grab Your Bonnet Day" in order to increase their budget at this annual event. Sponsored by Mr. Dollar, the Student Council has had a very successful year, and they should be proud of the things they have accomplished this year.

BETA CLUB

The 1982-83 Beta Club served SHS and the community in many vital ways. The Beta blood drive was a success as it had been in previous years. The Beta Club sold balloons at Homecoming, held the annual Talent Show, operated the concession stand at basketball games, and sponsored the *Paw Print* school newspaper. A formal candlelight tapping was held for the induction of the Club's 18 new members. The Beta Club ended the year by attending the State Beta Club Convention and holding their banquet at Joel's Varsity in Trussville. This year's sponsors are Mr. Robert Harris and Mr. Bill Tucker.

F.H.A.

This year the FHA has worked very hard at being the service organization it has always been. Homecoming mums were sold and FFA and FHA favorites were chosen. A Special Ed. Christmas party was given with Jamey Tucker playing Santa Claus. Each child received gifts from the FHA members. February 7 through 11 was FHA week. A different person was chosen and recognized each day for their help with the club. Red, pink and white carnations were sold for Valentine's Day. The FHA tea was in May and Miss FHA, Homemaker of the Year, and the new officers were announced.

F.F.A.

This year the FFA accomplished many of their goals. Through the cooperation of the FHA and other school groups, they completed many construction and service projects for the school and community. The Springville FFA participated in all the county contests and also had members show hogs in the annual county hog show. Through the leadership of the officers, older students, and school officials, this has been a productive year for the FFA.

PAPER STAFF

With its 41 members, the paper staff has worked very hard this year at making the paper bigger and better. Not only did the name change from "Tiger Times" to "The Paw Print," but new and more interesting topics were added. Even the general appearance of the paper changed. Sponsored by the Beta Club, with Editor — Tracy Pollard and Co-Editor — Michele Foreman, this has been a very good year.

Under the organization and direction of Wayne Alexander, this first year for our Glee Club's existence was a definite success. The school Christmas program was highlighted by traditional carols sung by the Glee Club. The future for this organization appears to be a good one as interest in the Glee Club continues to grow.

1983 SENIOR WHO'S WHO

The Senior Who's Who was chosen by the 1983 graduating class. Selection was based on outstanding qualities exhibited by members of this class during their years at S.H.S. For each category there was a position for one boy and one girl. Nominations were made for each position openly and then voted on by secret ballot.

Mike Root and Richard Patton were originally selected for the Who's Who. Unfortunately, they moved before the photos were taken; a re-vote was held to fill their places.

Photos of the 82-83 Senior Who's Who were taken at the Birmingham Zoo.

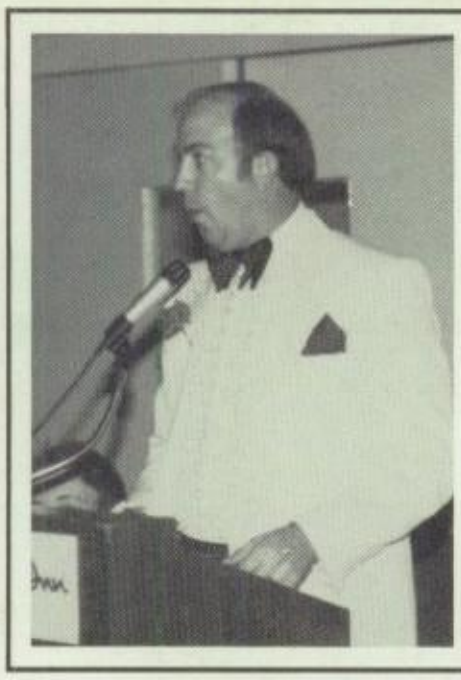
The Best of Times

The Junior Class, supervised by Barbara Williams and Trudy Campbell, put on a Prom that will long be remembered. The Prom was at the Holiday Inn in Birmingham. The theme was, The Best of Times. It began with a dinner, reading the Class of '83 Will and Prophecy, and then awards were presented. Then the Senior lead out took place, followed by the Senior dance. Disco Pik-O was the D.J. and kept things rolling all night.

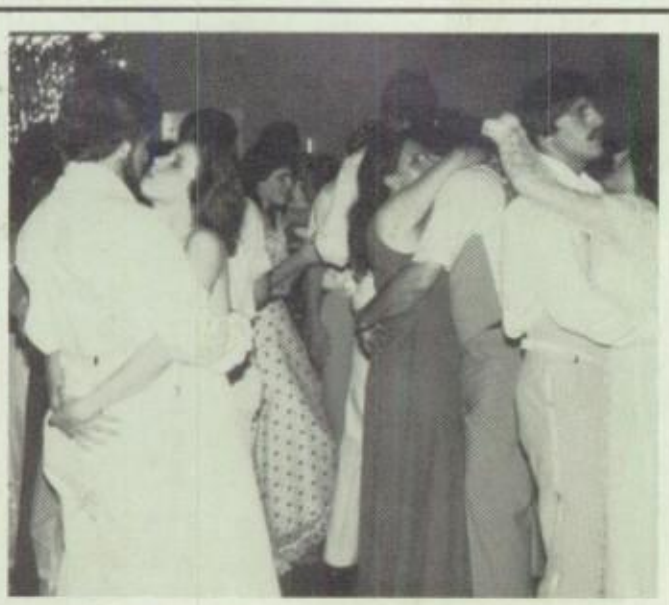
Everyone considered it a very enjoyable evening and the memories of this special night will be cherished forever. As the years pass we know we will remember these as, The Best of Times.



Pieces of April

Another year goes passing by
Another Prom is here
To some this brings a joyous smile
To others, brings a tear.
For twelve years you have tread a path
From dawn to setting sun
But now the path gets steeper
And the climb is just begun.
We're very glad to know you
We'll miss you when you've gone
And to the Class of '83
We dedicate our Prom.

The Juniors



Mr. and Miss S.H.S.

The alternates were Kim Stolzmann, Penny Keith, Dwayne Smith, and Jamey Tucker.

KIDS WILL BE KIDS

Kids Will Be Kids was an amusing play directed by Don Dollar. Mr. Dollar did a good job helping the all girl cast pull off a great comedy. The play was full of one line jokes that were very effective. A few unsuspecting cast members screamed when they found real tacks in their seats. Prissy McClendon, Best Supporting Actress, was the prankster in this case. However, Lauran Owens, who portrayed the browbeat teacher, received the Best Actress Award, and had everything in order eventually. The play went over very well with lots of laughs from the audience as well as the cast.

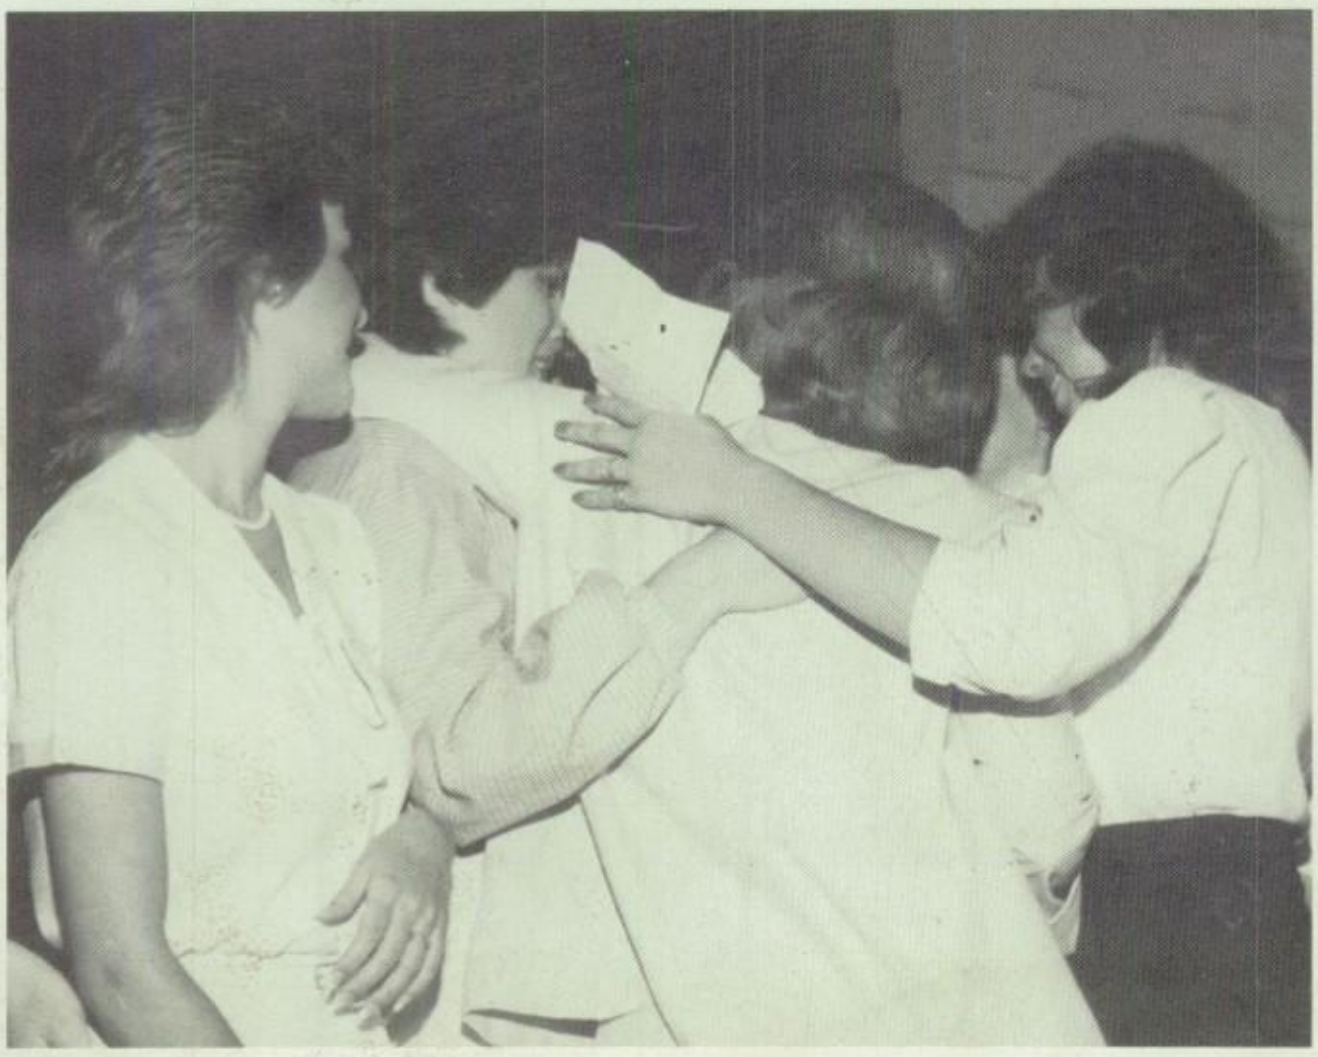
THIS IS IT

THIS IS IT was presented by the Springville High School Senior Gifted Resource Class. Instead of doing the traditional senior play, the Gifted Resource Class put together a slide show. It consisted of faculty, students, and different places and events at S.H.S. The slides were equipped with songs and sound effects that added much to the show. Overall it was very touching and successful.

Carolyn Spann, teacher of the Gifted Class, directed the slide show and helped a great deal. At the senior plays Mrs. Spann was given a silver tray and hanging plant in appreciation for all of her hard work, dedication, and most of all, her love.



M*A*S*H

"Choppers, incoming wounded, all personnel to OR, stat!", was the cry heard across Springville High School Auditorium as a cast of hard-working and talented Seniors brought the house down with their version of M*A*S*H.

The play centered around raising the money to sent Ho-jon to Med School in the States and the activities in the "Swamp" the kind of flies that are usually found in swamps were not the only kind found open this time. Hawkeye added a bit of his own humor, making the audience feel right at home in war time Korea.

The play was very entertaining and turned out to be a huge success. Cynthia Lesley did a fantastic job of directing this group of seniors.

The program consisted of songs, poems, scriptures, and monologues, all telling of things that the Seniors believe in.

THE LIFE OF A SENIOR

We will always remember our senior year.
A time of having fun
being serious and looking back
as well as forward.
Not only pulling away from each other
but pulling together too.
A time of joy and sorrow for the ending of one life and the beginning of a new and totally different one.
But most of all a time for making memories that will last for the rest of our lives.
